**i information - Ask The Expert Here**

Here you can ask questions, which will be answered by psychological-psychiatric experts. **Note that we do not answer questions on illnesses which are of purely biological (somatic) nature.**

**Note that questions and answers will be published and readable by everyone.** If you want to be anonymous, avoid specifying information which can identify you (except your e-mail address, see below), and either log out or use a pseudonym before asking questions here.

If you want the reply sent to you by e-mail, you must [register](#) your e-mail address before writing the question. You can still use a secret name (pseudonym) even if you specify your correct e-mail address. The e-mail address you write will not be used in any kind of marketing and will not be shown or given out to anyone.

Web4health does not promise to answer all questions sent to this area. You have a better chance of getting an answer if you ask a short question (max 10-20 lines). You may have to wait one or a couple of weeks before you can see the answer to your question.
